ORAL JUDGEMENT

The grievance of the petitioner is that the respondent appropriate Government has not referred the dispute to the Industrial Tribunal despite the failure report having been sent to it on 24.6.1987. The petitioner had sent several letters including the fifth reminder dated 6.9.1988 which it sat Annexure-D to the petition to the Government of India for looking into the matter to decide whether reference should be made. On failure report being received the appropriate Government should decide whether reference be made. It is therefore directed that the respondent appropriate Government will take a decision on the question as to whether reference should be made as sought for by the petitioner in his reminder dated 6.9.1988, if such decision has not already been taken. If the decision is not already taken, it should be taken expeditiously preferably within one month from the date of the receipt of the writ of this order. Rule is made absolute accordingly with no order as to costs.
